

**Part-time Youth Surveyor, Youth Access Project**

Position Title

**Health Promotion Council of Southeastern Pennsylvania, Inc.  
Tobacco Control and Prevention Program**

Division

**RESPONSIBILITIES:**

To assist in the implementation of local youth access campaigns aimed at decreasing the sale of tobacco to Philadelphia and Delaware County youth. Part-time youth surveyors are responsible for attempting to purchase tobacco products in outlets throughout Philadelphia and/or Delaware County while under the supervision of an adult staff member; attending all HPC youth access trainings, and assisting in the implementation of the PA Synar Survey.

Must have a flexible schedule

Must be available after school, weekends, and/or during school vacations.

**SKILLS:**

Comfort in entering a variety of stores, gas stations, restaurants and other tobacco selling locations throughout Philadelphia and/or Delaware County

Commitment to tobacco control and good health practices, including a thorough understanding of the goals and mission of this project

**EXPERIENCE:**

Must be 15-17 years old, should just be turning 17, and working toward a high school diploma.

Must be tobacco free for one year

Must be responsible and have good handwriting

Must complete all required paperwork including parental permission slips

Must obtain working papers if needed for age requirement.

**SALARY:**

\$10.88 per hour
